

SIZE GUIDE FIND THE MEASUREMENT OF YOUR RING

Before measuring your ring, print this guide on a 100% scale A4 paper. You can check the accuracy of the print by placing a credit card on the line below.

OPTION 1: MEASURE WITH A RING YOU ALREADY HAVE

To find the correct size of your ring use a ring that you already have and that fits perfectly to your finger. Match the inner circumference of the ring with one of the circles below.

OPTION 2: MEASURE WITH THE RULER

After cutting the ruler, carefully cut along the line to create a slot. Wrap the ruler around the base of the throat, insert the thin end into the slot and pull.
